

Cal Flame®

SINCE 1978

Firepit Series

Cal Flame allows you to customize your Fire Pit to suit your outdoor living space. Choose from a selection of tile options and your choice of Ameristone Stucco, Stone Veneer styles, and accent trim with Porcelain or Natural Stone Tile. Firepits come in square, hexagonal and rectangle shapes to accommodate any backyard preference. Stay warm around the fire pit, the lava rocks and fire log set leaves a natural calm appearance, emitting 55,000 BTUs. Turn your Fire Pit on with a simple turn; no wires or matches are necessary due the battery-powered electronic ignition. Use the storage door for your propane tank or other items. Place your drinks on the table top around the fire, sit back and enjoy spending time in your home resort.
